

# PRMS In-Person Risk Management Education Programs

PRMS presents risk management educational sessions in various formats that educate residents and practicing psychiatrists on the malpractice risks they may face. Our extensive knowledge in managing psychiatric risk is a result of over 30 years of specialty-specific protection, making us a leader in proactive risk management for psychiatrists.

## TOPICS INCLUDE:

- **Telepsychiatry**
- **Treatment of patients with suicidal behaviors**
- **Psychopharmacology**
- **Social media**
- **EHRs**
- **And more!**

PRMS can present its programs to your Department of Psychiatry as a Grand Rounds, or to residents and fellows in one of our highly regarded PREP® sessions (PRMS Residents' Education Program).

## FACULTY

- **Donna Vanderpool**, MBA, JD: Director, Risk Management, PRMS
- **David Cash**, JD, LLM, ARM: Associate Director, Risk Management, PRMS
- **Ann McNary**, JD: Senior Risk Manager, PRMS
- **Justin Pope**, JD: Associate Risk Manager, PRMS

**For more information or to schedule a session, contact Donna Vanderpool at [Vanderpool@prms.com](mailto:Vanderpool@prms.com).**

PRMS is accredited, with commendation, by the ACCME to provide CME.

## ABOUT PRMS

Professional Risk Management Services® (PRMS) manages The Psychiatrists' Program®, the professional liability insurance program for psychiatrists. Because of our dedication to psychiatry, we are experts in understanding and managing risk, handling psychiatric claims and developing specialized policies to protect our clients. We have provided these well-received educational programs throughout the country for over 15 years, often being asked back yearly by RTDs and trainees.

*PRMS is not a commercial interest.*
